Como están chicos, en esta oportunidad van a leer el texto en pasado simple sobre la historia de amor de Sarah y luego realizarán las actividades. Los verbos en pasado simple en el siguiente párrafo están marcados en **negrita**.

READING: Sarah's love story

One Saturday, Sarah **woke up** early. She **had** breakfast with her family, she **had** a quick shower, and **left** home to work. On her way to the office, a handsome man **asked** her if she **knew** where the closest bank was. She **told** him where it was. The man **asked** her if she could go with him to the bank and to have a cup of coffee afterwards. She **said** yes. Sarah and the man **had** coffee. After that, they **went** to the cinema and then they **went** to a disco. They **danced** for three hours. Sarah **didn't ask** the man's name, she **didn't add** him on Facebook or Whatsapp. At midnight, the man **said** he had to go to the bathroom, but he **didn't come** back. Sarah **fell** in love with the man;

she **wanted** the man to come back. She **waited** for him for five years, but he **didn't come** back. Sarah **had** lost all hope about love. She **prayed** to God frequently. One day, Sarah **was** at the bank and a man **came** up to her and **asked** her what time was. His voice **sounded** familiar, it **was** the same man; his name **was** Joseph. They **married** eight months later and **had** two beautiful daughters.
